International Conference on Artificial Intelligence and Emerging Technologies

ICAIET-2025

26th September 2025 Friday

Organized by

Department of Computer Studies (BCA / CS / IT)

ABOUT THE COLLEGE

The K.S.G College of Arts and Science is a co-educational institution started in 2001 and is affiliated to Bharathiar University, Coimbatore. It was found by Smt. K. S. Gita, M.A. B.L. M. Phil., who is the Managing Trustee of KSG Educational Trust. The major objective of the college is to give quality education for the deserving students, especially belonging to the needy sections, irrespective of caste and creed.

THE DEPARTMENT

The Department of Computer Studies is committed to fostering academic excellence and practical knowledge in the field of computer science. We aim to equip students with the skills and mindset needed to excel in a rapidly evolving tech landscape. Our curriculum is designed to provide a strong foundation in core computer science principles while also offering exposure to the latest industry trends. We are dedicated to producing skilled professionals and thought leaders who can make meaningful contributions to the global technology sector.

THEME OF THE CONFERENCE

The primary objectives of this conference are to:

➤ Bring Together Experts: Create a platform for academicians, researchers, and students from diverse disciplines to share their insights and innovative ideas.

➤ Explore New Horizons: Discuss emerging trends in AI and ML and their applications across various fields, including business, healthcare, and engineering.

➤ Foster Collaboration: Encourage networking and collaboration between participants to inspire future research and development projects.

➤ Disseminate Knowledge: Provide a forum for the presentation of high-quality research findings and scholarly work.

CALL FOR PAPERS

We invite submissions on original research and innovative applications in AI and ML.

Papers will be accepted in the following tracks:

➤ Data Mining & Analytics: Novel techniques for extracting insights from large datasets.

➤ Image Processing & Computer Vision: Advancements in visual recognition and analysis.

➤ Networking & Mobile Computing: AI solutions for optimizing network performance and mobile applications.

➤ Artificial Intelligence: General AI topics, including deep learning, reinforcement learning, and neural networks.

➤ Cloud Computing: AI-powered solutions for cloud infrastructure and services.

➤ Bio-Informatics: Using AI to solve problems in biology and medicine.

➤ E-Commerce: AI applications for personalized recommendations, customer service, and logistics.

➤ Software Computing & Recent Trends: Papers on the latest trends and best practices in software development for AI.

➤ Remote Sensing: Applying AI to analyze satellite and aerial imagery.
Cloud Computing & Distributed Systems

FORMAT FOR ABSTRACT

For your conference paper submission, please adhere strictly to the following formatting guidelines to ensure a smooth review process. The manuscript must be submitted as a PDF file. Use Times New Roman font at a 12-point size with single-line spacing and 1-inch margins on all sides. The paper, including all figures, tables, and references, must not exceed 8 pages. To maintain the integrity of our double-blind review process, please ensure your submission is fully anonymized. This means omitting all author names, affiliations, and any other identifying information from the document. Following these instructions carefully will help ensure your paper is considered for publication.
